

Silver Lake Mennonite Camp

CILT I Information

Welcome

Thank you for considering registering for CILT 1. This sheet will provide you with important information to ensure you make an informed decision before registering.

Program Overview

CILT 1 is a leadership training program for 15 year olds (as of January 1, 2017 – this is mandated by our insurance carrier) who are interested in learning valuable leadership skills that can be used in all aspects of their life. Participants are encouraged to develop a sense of self as they grow in understanding of leadership styles, group dynamics and communication skills. Open-ended spiritual discussion will provide opportunities for spiritual growth. Participants will get a chance to build hard skills as they lead their own 4 day backpacking trip. Space is limited to 12 participants per session (6 male and 6 female). We run one session in July (CILT 1A with 12 participants) and one session in August (CILT 1B with 12 participants).

CILT 2 is the second half of our leadership training program and is for graduates of CILT 1 who are 16 years or older (as of January 1 of the year they are applying). The CILT 2 program builds on the CILT 1 experience but has greater focus on developing the knowledge and skills required for working as a counselor. The CILT 2 program in four weeks long, with two weeks spent in session and two weeks spent in a volunteer practicum placement as a member of the Silver Lake staff.

Application Process

If you haven't already done so, use the online registration portal at www.slmc.campbrainregistration.com (same one used to register non-CILT campers) to register for either CILT 1A or CILT 1B. The registration process includes a CILT 1 Questionnaire that gives us a better understanding of each participant and what motivates them to be part of the program.
