NOTES:

- To get proper equipment and clothes you **do not** need to spend \$\$\$ on brand new gear! Go to your nearest 2nd-hand clothing store and find some fleece that fits, or borrow equipment and clothes from a friend. Keep in mind that if it pours with rain, you need to stay warm, dry, and happy!
- Trippers are encouraged to bring cameras to document their trip, but no other electronics are permitted.
- It is especially important that **no food** is brought along, as no cabin or tent is animal-proof!
- **For Canoers:**
 - Some things (toothpaste, sunscreen, bug spray) are packed in tent groups.
 - The 6 night canoe adventure trip will leave no trace at Silver Lake- all personal belongings will come with the camper. For all other trips, suitcases and items not for the outtrip can be left behind at Silver Lake.
