SANDY LUDWIG

LAURA MOOLENBEEK

## JULY 14-20 AGES 7-16

Rhythm and Song camp is for anyone who loves to create with music! Come to drum, sing in groups, write your own song, or be part of a washtub band. When not making music, campers explore a broad range of other camp activities.

Drumming will be led by Sandy Ludwig who has over 20 years experience as a clinical music therapist in Canada. She currently owns Music4Life, a professional private practice. Her volunteer and work experience in South Africa inspired her to found *A Peace of Music*, an organization that uses donations to fund music therapy projects and music initiatives in Africa for children with developmental challenges, orphans and people living with HIV/AIDS. She is an accomplished hand drummer, currently performing with renowned Master Drummer Amadou Kienou. Sandy is a graduate of the Honours Bachelor of Music Therapy Program at Wilfrid Laurier University in Waterloo Ontario.

Laura Moolenbeek will lead singing at Rhythm and Song Camp. Music and singing has always been a huge part of her life and she is now finishing her second year of Community Music at Laurier. The program focuses on musical facilitation, and with voice being her main instrument she has a special interest in facilitating singing based activities. She is really looking forward to leading SLMC's first ever Rhythm and Song camp! Throughout the week campers will look at different genres and styles of music, sing as a group with some opportunities for solo, and smaller group work! Campers are encouraged to bring ukuleles, guitars, or other instruments that they like to sing along with (not required!).

***This camp is an opportunity for creativity and taking musical risks, no previous experience required!***
