AUGUST 18-24 AGES 10-15

Looking to improve your skill? Come to camp to get a badge when successfully completing skills in two of the following: swimming, archery, climbing, paddling, sailing, wood carving, wilderness or ukelele playing. Have a ton of fun doing lots of other camp activities too!

Campers choose one skill for a morning session and one skill for an afternoon session Monday through Friday. Levels 1, 2, 3 and 4 instruction in swimming and ukelele playing will be offered.
