

## **Tips for a Smooth and Successful Summer Camp Registration!**

### **A week or two before Feb 1<sup>st</sup> Registration:**

- Login to your family account using the email address that was used to initially create the account
- If you forget your password, simply click on “Reset password”
- If your child or family is new to Silver Lake, please create a new household account
- Update any contact information by clicking on “Manage People and Household Information”
- In the “My Family” section, make sure the personal/contact info for each person is correct. \*\*Check that your child’s date of birth is correct
- If you have a new child coming to Silver Lake for the first time, add that child to household
- Under “Household Details”, make sure that your mailing address is current and your emergency contacts are up-to-date
- Discuss with your child(ren) if they would like to submit a “cabin mate request” (optional)
- Discuss with your child(ren) their “Specialty Skills Options” if they are registering for Skillz Camp
