

Creating a Dream Birdhouse

Imagine you were a bird living in your neighbourhood. What kind of bird would you be? Think about some of the birds you have seen while outside or fly past your window. Would you be one of them? Would you be a different kind of bird? You could even be an imaginary kind of bird.

Imagine the type of birdhouse you would like someone to put up in your neighbourhood for you? How big is it? Where is it? What is it made of? What shape is it? Is there food inside? How is it protected from predators? What colour is it? Imagine what your dream birdhouse would be.

Create your own dream birdhouse!

You can create a habitat for you, your favourite animal, or an imaginary animal. There are a few options of how you can create your dream birdhouse. Pick which one you would like to do or do multiple.

- 1) Draw your birdhouse on a piece of paper.
- 2) Write about your birdhouse. Describe what it is like.
- 3) Get a cardboard box as well as other craft and recycled materials to build it.

Get Creative!

You can share your dream birdhouse with your cabin tomorrow or later this week.
