

All transportation to and from Silver Lake (on-site or satellite [day camp] programming) must be approved by a parent/guardian.

For campers participating in day camp programming, there are options to travel to and from the location independently if parents/guardians sign off on it. This does not apply to all campers and is determined by age.

1. Campers 10 years and older may be enrolled in independent travel. Parents/guardians must enroll the child in independent travel prior to the start of their week at camp. These campers must check in with staff upon arrival and prior to departure.
2. Campers under 10 years old may *only* be enrolled in independent travel if they will be accompanied by a sibling who is 12 years or older. Both campers must be enrolled in the independent travel option prior to the start of camp and must check in with staff upon arrival and prior to departure.

Campers may register for the independent travel option through Campbrain. The wording of the option is as follows:

Independent Travel

This option is for campers whose parents and/or guardians have authorized them travel to and from camp by themselves. Independent Travellers must sign in between 8:30-9:15am at the main entrance point and will be released at the end of the day at 3:45pm from the day camp location. This option is open to campers age 10 and older, or to campers under age 10 if accompanied by a sibling 12 or older.

- Yes, I want to enroll my child in the independent travel option. I confirm that they are 10 or older or will be accompanied by a sibling 12 or older.
