UPDATING FUNDRAISING PAGES

Looking to update your page after signing up? Follow these steps to get the most out of your fundraising efforts!

You Joined an Existing Team

1. Login to your account at CanadaHelps.org
2. Click on *Fundraising Pages* and the pencil next to your current fundraising page
3. On the *Details* tab
   a. Update your *Page Name* (this is the name your donors will see when donating!)
   b. Update *Goal Amount*
   c. Update your personal *Fundraising Story*
4. On the *Images & Videos* tab
   a. Upload a *Feature Image*. This is the image that will appear at the top of your fundraising page (the default image for participants is the 2026 Grand Paddle & Hike flag. The flag image is available to download in the *Fundraising Toolkit* if you would like to customize your own banner!)
   b. Upload additional images and/or videos of you outdoors or at camp!

You Created a Family Team

Because everyone has to be part of a team, you have a team page and a personal page! Pro tip: copy over the information so the information is the same on both pages. Alternatively, just update your team page and use that as your main donation page.

1. Login to your account at CanadaHelps.org
2. Click on *Fundraising Pages* and the pencil next to your current fundraising page
3. Confirm which page you are updating. At the top of the page it will say either *Manage my page:_____* or *Manage my team:_____*. Change which page you are editing by clicking on your name in the top right corner and selecting *Edit My Page* or *Edit My*

Team

4. On the *Details* tab
   a. Update your *Team/Page Name* (this is the name your donors will see when donating!)
   b. Update *Goal Amount*
   c. Update your *Fundraising Story*
5. On the *Images & Videos* tab
   a. Upload a *Feature Image*. This is the image that will appear at the top of your fundraising page (the default image for participants is the 2026 Grand Paddle & Hike flag. The flag image is available to download in the *Fundraising Toolkit* if you would like to customize your own banner!)
   b. Upload additional images and/or videos of you outdoors or at camp!
6. Copy this information to the other page if you want them to be the same
