

Campership Fund Application

The Silver Lake Campership Fund provides financial assistance for children and youth who would otherwise be unable to attend camp because of financial difficulties.

Each year there is a limited amount of funds available to disburse. As a result, the preference is to partially subsidize registration fees to ensure funds can have a broad impact. Where full funding is required, the camp will look for ways to encourage partnerships to meet the request. Silver Lake reserves the right to contact churches, foundations and other potential funders to explore funding partnerships.

If you have any questions, please do not hesitate to contact us at the camp office at (519) 422-1401 or fun@slmc.ca.

Please print this form and complete the information below. Scan or take a photo of the form and email to fun@slmc.ca by **March 15**. Funding decisions will be communicated to applicants by March 30. Please note there must be a registration submitted in order for your application to be reviewed and a \$150 deposit (for each camp) is required at the time of registration.

SLMC Campership Policy

In keeping with one of the core Anabaptist beliefs of mutual aid, the campership fund is offered to families that face financial hurdles in sending their children to camp. In an effort to make as broad of an impact as possible with limited funds, Silver Lake partners with parents, donors, churches and other agencies for campership funds when appropriate.
